1. Color Izzie’s science table however you like!

2. Cut out the table by cutting along the dotted lines.

3. Fold the 4 flaps down at 90° angles, and tape the corners to make your 3D table!

4. Cut out the Izzie Peper doll and her lab equipment from page 1.

5. Fold at the fold lines to set up the lab, and Izzie’s experiments!
