

# SciGirls

## Role Model Strategies

### Encouraging Girls to Consider STEM Careers

Make the most of your  
role model experience by:

**1.**

**Making personal connections  
to dispel stereotypes.**

**2.**

**Using positive messaging.**

**3.**

**Sharing your passion.**

**4.**

**Making it hands-on &  
interactive.**

**5.**

**Fostering a growth mindset &  
promoting perseverance.**

**6.**

**Showing the way: Offering  
resources & guidance.**

**7.**

**Following-up & inviting  
feedback.**
